The NOL-TEC air activated gravity conveyor conveys dry granular or powdered materials in a fully enclosed dust-tight housing using either high or low pressure air.

**STANDARD FEATURES:**
- 10-gauge construction
- Polyester aeration media
- Adjustable inlet location
- Air inlet in each section
- Inspection opening in each section
- Air controls for high or low pressure

**OPTIONAL FEATURES:**
- Stainless steel construction
- Stainless steel aeration media
- Flanged inlet and outlet
- Multiple inlets and outlets
- High-temperature design
- Contact Nol-Tec with any special requirements
- Turning box(s)

**SPECIFICATIONS:**
- **Compressed air:** Compressed plant supply; Positive displacement blower; Clean and dry
- **Temperature (polyester membrane):** 310° F maximum

**AIR ACTIVATED GRAVITY CONVEYOR**
